All rights reserved.

Permission is hereby granted, free of charge, to any person obtaining a copy of this software and associated documentation files (the "Software"), to use the Software for research purposes including the rights to use, copy, modify, merge and distribute the Software subject to the following restrictions:

This permission notice shall be included in all copies or substantial portions of the Software, along with authorship credit to E. Mavridaki and V. Mezaris.

The Software cannot be sold nor used within any commercial application without prior permission by the authors. Use is granted only for strictly non-profit purposes.

The software is provided "as is", without warranty of any kind, express or implied, including but not limited to the warranties of merchantability, fitness for a particular purpose and non-infringement. In no event shall the authors or copyright holders be liable for any claim, damages or other liability, whether in an action of contract, tort or otherwise, arising from, out of or in connection with the software or the use or other dealings in the software.

Certain third-party software, including open source software, is provided with or within the Image Quality Assessment software.
